Civil Ceremonies

At the Flagstaff Lodge

The Flagstaff Lodge is licensed as a Civil Wedding venue. Couples therefore have the advantage of enjoying a truly stress-free day with the ceremony, dinner and celebrations all in one ideal location.

Our experienced Management team will be delighted to assist you with attention to detail planning of all aspects of your day, from your ceremony to your celebrations afterwards

Marriage in the presence of the registrar may take place in our banqueting suite which is beautifully decorated and spacious and has proved to be a firm favorite in recent years.

With a capacity to seat up to 200 people, we are experienced in catering for a wide variety of different banqueting. We can also adapt our banqueting suite to suitably accommodate smaller parties.

There is no mystique to a civil ceremony but there are certain rules and regulations that must be adhered to which we can guide you through although please note that the registrars say on any issue is final.

The advantage of holding your ceremony within the hotel is that although not a religious ceremony there are many refinements and special touches that cannot be performed in a Registry Office. If you would like to adopt some of the traditions from a church ceremony such as the bride being given away, the playing of non-religious music or an approved reading, these can also be accommodated. Please be aware that the hotel can only perform civil ceremonies on the condition that they are followed by a reception held in the hotel.
